

CURRICULUM VITAE

Anatolij Plichko, Ph.D. (doctor degree)

Politechnika Krakowska im. Tadeusza Kościuszki,
ul. Warszawska 24, Kraków, 31-155, Poland
Phone (office) : 48(12)6342989
E-mail : aplichko@usk.pk.edu.pl
Home address : 2/IV/401, ul. Skarżyńskiego, Cracow 31-866 Poland
Date/Place of Birth : July 20, 1949, village Chervona Kamyanka,
Kirovograd region, Ukraine.

Education:

Kyiv State University, Dept. of Cybernetics, 1967-1972.
Ph.D. Mathematics and Physics (kandydat),
Kyiv State University, Kyiv, Ukraine, 1975
Thesis Title: On some problems of the duality theory of Banach and topological vector spaces.
Ph.D.(doctor),
Institute of Mathematics of Ukrainian Academy of Sciences,
Kyiv, Ukraine, 1994.
Thesis Title: Studies in the duality theory of Banach spaces.

Research Interests:

Banach space theory, especially biorthogonal systems and non-separable spaces; random variables in Banach spaces; theory of regularizability of linear problems.

Teaching Experience:

Functional analysis, probability, mathematical analysis, mathematical economy.

Supervision of young research personnel: PhD thesis supervisor in Institute of Applied Problems of Mechanics and Mathematics

V.K.Maslyuchenko

L.V.Gladun

M.M.Popov

O.V.Kucher

A.V.Zagorodnyuk

Experience:

Professor (2003-present) – Instytut Matematyki, Politechnika Krakowska im. Tadeusza Kościuszki, Cracow, 31-155, Poland.

Professor (1995-2003) - Dept. of Mathematics at Kirovograd State Pedagogical University, Kirovograd, Ukraine.

Senior scientific researcher (1979-1995) - Dept. of Nonlinear Mathematical Analysis at Institute for Applied Problems of Mechanics and Mathematics of Ukrainian Academy of Sciences, Lviv, Ukraine.

Junior scientific researcher (1975-1979) - Astronomic Observatory at Kyiv State University, Kyiv, Ukraine.

Graduated student (1972-1975) - Dept. of Cybernetics at Kyiv State University, Kyiv, Ukraine.

Memberships in professional organizations:

American Mathematical Society (a Referee of Mathematical Reviews).

Shevchenko Scientific Society.

Professional Awards:

ISF personal grant, 1994.

Mianowski (Polish International) grant, 1995.

Visiting professor in Milan (Italy), 1996.

INTAS grant, 1997.

Visiting professor in Milan and Rome (Italy), April 1998.

Visit to Spain (Murcia, Valencia, Madrid), October 1998.

DAAD grant and Volkswagen Stiftung (RIP-program at Oberwolfach) (20.09.--11.11.1999 ; Jena-Berlin-Augsburg-Oberwolfach-Karlsruhe; Germany.

Visit to University Paris (6 12.11--17.11.1999).

Visit to Spain (Zaragoza-Madrid-Badajoz) (18.11--11.12.1999).

Visit to Poland and Spain (Lublin-Warsaw-Poznan-Vigo-Valencia) December 2000.

Visit to Israel (Tel-Aviv, Beer-Sheva, Jerusalem), December 2001.

Visit to Lulea University of Technology, Sweden, December 2002.

Visit to Queen's University. Belfast. Northern Ireland, June 2003.

Visit to Badajoz and Murcia Universities, June-July 2003.

Visiting professor in Badajoz University February-July 2008.
